## PLEDGE

I do make the following pledge, to declare my commitment to promote the use of mediation and thereby promote peaceful co-existence and harmony in the community.

- ① I understand that Mediation as a conflict resolution methodology works in perfect harmony within the legal system and empowers us to resolve the dispute in a consensual manner, preserving the relationship between the disputants.
- ② Should a dispute arise in my life with any other member of any People's Mediation Society or any other person in the community, I promise to use mediation as the first step to resolve the dispute before pursuing arbitration or litigation before courts.
- ③ I also agree that in case of any commercial disputes between members of PMS, I will resolve that dispute by way of arbitration under IIAM Arbitration Rules, if attempt to resolve the same by mediation fails.
- ④ I will promote mediation and encourage others to use mediation wherever appropriate and suitable.
- ⑤ I understand that a mediation culture could lay the foundation to a long term process of positive social transition by making the society just, equal and fair.
- ⑥ Towards my involvement in promoting mediation and to support Indian Institute of Arbitration & Mediation (IIAM) for the above cause, I hereby become a member of the People's Mediation Society and support the activities of the People's Mediation Centre in the above Constituency.
